LSC Announces its 2019–2020 Season!
About *Sorry, Wrong Number* and *The Hitch-Hiker*

Just a decade ago, if people wanted to watch a show on television they had to figure out when it would air and then tune in to the correct channel at the correct time. Fifty years before that, even though black and white television was relatively common, the big entertainment came from radio.

Radio dramas, plays that were heard on the radio rather than seen, were the 1940s version of the modern TV show - a story that is either told in a half an hour or that continues with a new installment each week. One popular radio show, *Suspense*, regularly aired short, suspenseful radio plays.

In 1943 *Sorry, Wrong Number* first aired on the *Suspense* radio program. This story by Lucille Fletcher went on to be considered one of the greatest radio drama episodes. It was adapted to become a movie, and a later production of the radio drama won The Edgar Award for Best Radio Drama.

*Sorry, Wrong Number* tells the story of Mrs. Elbert Stevenson, an invalid woman confined to her bed, who becomes increasingly frantic as the story progresses. The drama begins with Mrs. Stevenson attempting to call her husband, who is working late ……

*The Hitch-Hiker* is a ghost thriller and has the quality of a anecdote out of American folklore, drawing as it does on the local color and place-names of the United States. It is the tale of Ronald Adams, an average motorist, who sets out to drive from Brooklyn to California, and early on his journey begins to encounter a strange and inexplicable hitchhiker ……
From the Director

An Evening of Mystery is dedicated to my mom, Jackie Knapp, a creative director in the Cincinnati area, within community theater. Many of our cast were in shows my mom directed.

I am extremely excited to present this fabulous cast and crew in these two one act plays. It is also exciting to present them for the first time with a new flair “cabaret style” seating. This is a new style of presentation for LSC and I encourage you to leave us your comments and suggestions. You can find forms to fill out in the lobby.

I invite any and all of you to become involved in local community theater, either on stage or behind the scenes. There is always a need for set builders, costume assistants, lighting assistants or ushers.

Join us as we take a trip back in time, a trip to the 1940’s where radio is the main source of our entertainment.

Biography for Board Nomination Kate Arnold

Kate has been involved with Loveland Stage Company since the very beginning so it holds a special place in her heart to say the least! The group has been an important part of her life through the years and she would like to be a part of making sure that it is able to do the same for many others. Kate has experience in performing, directing and producing. Kate also keeps busy with teaching yoga and spending time with her three grown children and her husband, Rick.

Biography for Board Nomination Micheal Kiser

Micheal studied acting at the American Academy of Dramatic Arts in New York, NY. After attending the program, he went to learn his theatre craft by studying set design at Sinclair Community College and then finishing his studies at The Art Institute of Pittsburgh. All the while participating in various theater groups and starting a Haunted House in Pittsburgh. He even started a community theater group in Pittsburgh with his Brother and Sister in law, which is still going strong to this day. After moving to Cincinnati five years ago, Micheal began to participate with various theatre groups in the city. His first venture with LSC was portraying Utterson in Jekyll and Hyde, receiving an orchid for his performance. He has also participated in Forum, Cabaret, set design for I Love You.... (orchid and State Octa awards) Don't Drink the Water (Orchid and regional OCTA for filling in for Father Draubney) Micheal has directed many musicals and plays throughout his career including directing Gypsy next Spring. He is very excited for this opportunity to serve LSC!

Biography for Board Nomination Dave Marcus

Dave had served on the LSC Board for the four years prior to 2018. He was elected Board Vice President during this time. During his time on the Board, Dave was active in Board functions including The Amazing Race and the LSC Scholarship Committee. He was also instrumental in finding and purchasing the new seating for the theater. Dave and his wife Susan have been in many LSC productions over the course of the past eight years and have really appreciated the friendship and commitment of the LSC members to putting on excellent shows. Dave has also been involved in many LSC Christmas shows and SummerFair performances. At present, Dave's main LSC pursuit is aggravating Margie during her Saturday dance classes. He does an excellent job at this....just ask Margie!
In 1979 a group of eleven people, interested in live theater, gathered at the home of Pat Furterer and after introductions and discussions, we began forming what is now known as The Loveland Stage Company. Several months were spent drawing up by-laws and creating a constitution for the group. Next came the task of obtaining a tax free status. Newspaper articles and word-of-mouth brought a great deal of interest to the newly formed community theater organization. A local businessman lent money to the group for their first production in the Fall of 1979. The production was a great success, initial funds were paid back and a small profit was realized.

Over the years we have encouraged, nurtured, and worked with people to extend their talents into every area of live theater. We have held workshops in several areas and performed for many groups in the area, including Nursing Homes, Senior Citizens Centers, etc. Many of our members assist with local school productions (working along with students), lending costumes, sets, lighting, etc. Since the 1991-2 season we have offered a “Creative Arts Scholarship” to assist a graduating senior in the Loveland School District.

Since 1980 we have continuously presented at least two major productions. We have held Ice Cream Socials, Musical Picnics In The Park (free to the public), a One Act Play Festival, made a video presentation for the Ohio Nurses Association and held a dinner theater. All funds realized from our shows are put into the next productions, used for the scholarship fund, and renovations of our theater building.

Many of our earlier productions were in the local schools – when it is convenient for them. The storage of sets, costumes and props has always been a major problem. Then several years ago the Loveland Firefighters Association purchased an old movie theater and after several months donated it to the Company. For this generous contribution the Stage Company nominated the Firefighters Association for the prestigious “Post Corbett Award” and to our delight they won! Since 1998 we have been writing grants, soliciting funds from local businesses, individuals, and organizations to renovate this old theater. Many, many hours of volunteer work by our members eventually enabled us to open the theater. We held a Grand Opening in October 2002.

Thank you

The LSC Costume Room is undergoing a reorganization effort. Over the past few weeks, a small group of volunteers have been assisting the Costume Chair, Carissa Sloan, in sorting and reorganizing the costumes. A big thank you to Carolyn Finn, Jill Gornet, Sue Lundy, and Mary Shumar for helping. With these ladies’ help, we have been able to organize the men’s shirts, suit jackets, pants, tux jackets and pants, and rematch men’s suits; we now have an entire rack of 2 piece men’s suits. We have also pulled out and reorganized totes of hats, some specialty costumes, and accessories like ties and vests. A big thank you also goes to Donna Treinen for working on dance costumes, both racks and totes. We will be continuing our work to make the costume room more user friendly for costumers and overall, more organized.
