***Cabaret* is a musical based on a novel by Christopher Isherwood, with music by John Kander and lyrics by Fred Ebb. The 1966 Broadway production became a hit, inspiring numerous subsequent productions in London and New York, as well as the 1972 film by the same name.**

**It is based on John Van Druten's 1951 play *I Am a Camera*, which was adapted from the short novel *Goodbye to Berlin* (1939) by Christopher Isherwood. Set in 1929 Berlin as the Nazis are rising to power, it is based in nightlife at the seedy Kit Kat Klub, and revolves around young American writer Cliff Bradshaw and his relationship with 32-year-old English cabaret performer Sally Bowles.**

**A sub-plot involves the doomed romance between German boarding house owner Fräulein Schneider and her elderly suitor Herr Schultz, a Jewish fruit vendor. Overseeing the action is the Master of Ceremonies at the Kit Kat Klub. The club serves as a metaphor for ominous political developments in late Weimar Germany.**

# CABARET

## *From the Director & Cast*

*"Welcome to the Cabaret"* sings the Emcee of the Kit Kat Club. The story is set in Berlin in 1929 when the Nazis were taking over Germany. There are several versions of the show and I choose to present the one with a stage band to help the audience feel like they are actually in a Cabaret. Inside the club everything is beautiful, but life, at that time, was sad and scary as many changes were taking place.

The production has many emotional highs and lows, but isn't that life? I am fortunate to have a talented cast and have enjoyed working with them; John, Margie, Kay and a fantastic production crew. Thank you ALL.

Please enjoy the show!

Pat Furterer, Director

"Sally has been a dream role of mine for a long time. There are so many things to consider when playing Sally: the interpretations of iconic actresses who have portrayed her, the real woman who inspired Chris Isherwood, Jean Ross, and the overall climate of the world at that time and place. Sally chooses not to confront the things which are difficult to deal with until it's too late. For better or worse, she's a character that everyone can relate to, in some way, because she is very human."

Bonnie Emmer (Sally Bowles)

"Cliff is by far the most interesting and challenging role I've ever had. The plot centers largely around his experience in Germany during the rise of the Nazis. There are many important and fascinating components to this story, but one that I think about a lot is how you can start your journey looking for something, but your path leads you to find something entirely different than what you expected. I think everyone can relate to that on some level, and that's a big theme from Cliff's perspective in this show."

Peyton Hahn (Cliff Bradshaw)

## CABARET

### *From the Director & Cast*

"The show to me, represents belonging and wanting to make a connection. Each character wants to feel as if they matter to someone, or even to some idea. Bobby is looking for companionship, just as so many people do. The production has really tested my dancing skills and determination to complete the tap routine!"

Micheal R. Kiser (Bobby)

"I am honored to be entrusted with the role of the Emcee and welcome our audience to the world of this Berlin nightclub, but it almost didn't happen. Pia and I were a bit on the fence if we were going to audition for the show, as the most recent revivals were a bit risqué, but after we read the script, we fell in love with the story and drama of *Cabaret*, and decided to go for it. Now getting to know Pat's approach to the show, we think that our audience will have a good bit of PG13 fun alongside the tragedy that developed in prewar Berlin. I want to thank Pat, John, and Margie for this opportunity! I have been going to Margie's dance class regularly and growing in my dance skill, so when it comes to my current role in *Cabaret*, I give much credit to Margie's patient teaching to give me a foundation to dance the Emcee. I am having so much fun with all the songs and getting to play an outrageous character, that I know our shows will be filled with laughs, tears, and applause."

Charlie Rader (Emcee)

"This play is so poignant. It speaks to many of the issues we are dealing with today, and really paints a believable picture of what it is like to be caught between wants and needs, what is right and what is doable. I am so excited and honored to be a part of this production!"

Pia Rader (Fräulein Schneider)

"This is not only a show with fantastic and memorable musical numbers, it also has a very important message. I have always wanted to perform in *Cabaret*, not just to perform it, but to be a part of that message"

John Sloan (Ernst Ludwig)

## **The Long And Winding Road...To A Marquee by Bob Kessler, LSC President**

At the November 2015 Loveland Stage Company Board meeting, I brought up the idea of a three-sided Marquee to eliminate the visibility problem created by the Loveland Station Apartments. I had sat down at my computer and designed a simple canopy that I hoped would pass the scrutiny of the Board, as well as the various City officials who would have to approve the project. The Board reaction was enthusiastic (who wouldn't want something that showcased our theatre!). So began a two-year-long project which reached a successful conclusion at the recent Board Meeting, when we dedicated the new marquee with a lighting ceremony!

In order to get the necessary approvals, I first had to find a structural engineer who would take my ideas and determine how best to build it. I settled on Steve Schaefer of Schaefer & Associates, a company I had worked with for years through my company, Kessler Studios. Steve was great, working within a tight budget and willing to make the many necessary revisions that inevitably came up.

With blueprints in hand, I had to navigate the appeal process, getting variances from both the Board of Zoning Appeals and the Zoning Board. Eva Sigel, Building & Zoning Coordinator for the City of Loveland, guided me through that phase, providing invaluable advice. Everyone seemed excited at the prospect of a lighted marquee, making my "appeals" seem more like formalities.

Once I had the approvals, I went back to the Board with a budget: \$8000 - \$10,000 for materials. I emphasized that even though the price was high, I was confident that we would be able to eventually fund-raise from the membership. In April of 2017, I was given the official go-ahead by the Board. I wanted to build the marquee between the Summer Youth Workshops and the November 2017 production.

After a lot of research, haggling, and cajoling, I lined up a group of material suppliers and LSC member volunteers. The bulk of the work would take place during a two-week period in July, but I spent many hours "prepping" the building by drilling holes for structural elements beforehand. Once the July start-date hit, it was 14+ days of intense activity. We seemed to pick the hottest two weeks of the year and the sun was merciless! Nonetheless, a steady group of volunteers showed up and we tore down the old sign and erected the canopy, which would eventually hold the sign boxes. **THANKS TO ALL THE FOLKS WHO CAME OUT TO GET THE JOB DONE !!**

After the canopy was completed, we ordered the sign boxes and they were installed in late August. After wiring the canopy lights and signs, we passed our final two inspections (electric & building) in early September. On Tuesday, September 19th, the Board held a Lighting Ceremony and the new LSC Marquee came officially to life!

## **SPOTLIGHT ON GARY GIVER**

### **Prompter - When and how did you become involved in LSC?**

I have attended shows at LSC for many years, but had never performed on stage, ever. My wife and I were having dinner at Tano's one evening in 2011, when we ran into Pat and Margie. Pat said that she was directing a show, "Guys and Dolls" and would I consider being part of the cast. Pat said she just needed people to be in the background and I would have maybe a couple of lines. Margie said the dancing would be swaying to the music. Well.....I was cast as LT. Brannigan, with multiple lines, singing with the Ensemble and in various dance numbers. It was a blast.

### **Prompter - When you are not at the theater, what do you do?**

I am retired from Procter & Gamble and my wife, Becky, is also retired. We've been traveling a little. We own an 1880 victorian farm house and enjoy working on the house and tending the gardens. We also have acreage in central Kentucky that we enjoy sculpting into our private green space.

### **Prompter - Why theater? Why LSC?**

As I said above, I was never involved in any kind of theater until LSC. Theater gave me the opportunity to step outside of my comfort zone. Memorizing the lines, learning how to sing and dance (and tap?), and then selling it to the audience is challenging but so rewarding when at the end of the show you can say "I did it!!!!". Every time I walk into LSC I am greeted with smiles and hellos. Everyone is always willing to help with lines, dance steps, singing, and sooooo much patience. There is camaraderie from all involved in the show.

### **Prompter - What have you been involved in at LSC?**

I have been an usher for many shows, a House Manager, and have assisted in the sound booth. Cabaret will be my fifth show on stage.

### **Prompter - Where do you see LSC 10 years from now?**

I see LCS continuing to be a vital part of the Loveland area cultural scene. I like the current direction of selecting shows that are a blend of the classic musicals and exploring newer works. This will insure maintaining the existing audience base as well as attracting new fans to the theater.

### **Prompter - What would you like to say to LSC and the members?**

I would like to thank LSC for the opportunity to be involved in a professional organization that provides quality theater to the community. To the members I would say thank you all for welcoming me to the LSC family!!!!

### Spotlight Patio Capital Improvement Campaign

Share your appreciation for the arts and become a permanent part of the Loveland Stage Co. Theater by purchasing a brick for the Spotlight Patio. Memorialize your part in one of our productions, pay tribute to a loved one, advertise your company or just become a permanent part of our theater. Bricks are available in 2 sizes: 4" x 6" \$100 or 12" x 12" \$500. By purchasing a brick you will be supporting enhancements to the Theater's exterior while helping to raise funds for continued improvements to the LSC theater experience. Each brick is fully tax deductible. This campaign allowed us to purchase new seating. There are more improvements that cannot be achieved without the generosity of our patrons..
