Disney's *The Little Mermaid*

It's a magical kingdom beneath the sea! Disney's *The Little Mermaid* is a big splash of a family musical with eye-popping musical numbers and an award-winning score. A beautiful young mermaid named Ariel longs to leave her home to live in the world above. Her father, King Triton, forbids contact with the people on land, but when Ariel falls in love with human Prince Eric from afar, she makes a deal with her father's sister and enemy, Ursula to be temporarily transformed into a human. If she wins the kiss of true love from her prince within three days, she'll remain human! Will Ariel give up her fins and win her prince?

Twenty seven years after the release of Disney's animated film, this love story continues to capture the hearts of young and old alike. Featuring the music audiences have grown to love, including "Part of Your World," "Kiss the Girl," and the Academy Award-winning "Under the Sea".

From the Director

I am so proud to be directing the 2018 Loveland Stage Company Summer Youth Workshop and Performance of **Disney's The Little Mermaid**. This adventure started a long time ago; 1989 to be exact. I was in the 7th grade and I saw the movie in the theater for the very first time. Then in 2016, I had the opportunity to play my favorite role of all time, Ursula, at Bart's Bards. It then started again in April when we held auditions here at LSC. We had 84 incredible young people share their talents with us. Through a very tough process, we settled on a cast of 45 with a crew of nearly 20, all of which are between the ages of 8 and 20! This age range also holds true for most of our crew leads! The six weeks of this workshop has led to every element of this show being a learning experience for my wonderful "sharks" and "minnows" and I am so honored that this has been my first experience with directing!

We are happy to announce that for the first time, we will have a team of sign language interpreters for our July 14th performance. They are mentor, Gail Maue and Practicum Student, Montez Greer both from the Sign Language Interpretation program at Cincinnati State. Special thanks to Kristen Bowen of Cincinnati State for helping make this a reality!

Everyone involved in this production has put in so much time and energy into this production. Not only have they been busy learning onstage as a part of the cast and backstage as part of the stage crew, but also in the creation of costumes, makeup design, props and almost everything that will be seen on stage as part of the set. Special thanks to all the parents that have brought their kiddos to rehearsal and helped with every step along the way. We have so many wonderful and talented people in our community!

We hope that you will find the time to support community theater and enjoy our production and all the talents brought to you by this amazing cast and crew!

From The President's Digital Desk....

I never imagined I'd be sitting here writing for this prompter as the newest President of Loveland Stage Company. I auditioned for *Fiddler on the Roof* just three years ago on a whim after seeing a sign for auditions in downtown Loveland. Having never done practically anything even considered artistic I had no idea what I was in for. All I knew at the time was that I was bored of just going home after working my full-time engineering job and doing nothing but bingeing some show or playing some video game. Those can be great hobbies, but I made the personal decision that I wanted to use my time outside of work pursuing a new goal that would lead to personal growth and success. I got the call that I was cast, and off I went to rehearsals.

After just a few short months of learning how to sing and dance, meeting new friends and overall having a hell of a time, I found myself under the lights of the stage performing for hundreds of audience goers and loving every minute of it. I was quickly drawn in by the warm atmosphere and friendly nature of this organization and knew from there I would want to come back for more. The smiles that greeted me every time I walked in the door were a god send and the feeling of accomplishment that comes from learning a new dance or song made the work in and out of rehearsals worthwhile. Between "playing" the fiddle as The Fiddler, performing in the bottle dance, and all the great experiences in between, I knew this was the type of personal growth I was looking for.

Since then it has been a whirlwind of productions throughout Cincinnati, including 7 shows at LSC, and I have been so fortunate to learn so much about the theater world. Each show has been a unique and wonderful experience, while at the same time having the same core values of friendliness and community. It is seeing this consistency that motivated me to step into leadership positions within the theater. I want this place to be a venue where people can put their passions into practice and make the most out of everything they are wanting to do with as few issues and bottlenecks as possible.

There is so much passion in the people in theater. These are people that get up each day, work their job, take care of their family AND THEN go and work essentially another job spending a dozen hours or more each week doing the complex processes of producing theater for nothing other than for their love of the art. Seeing that passion in others makes me want to make more of myself and strive to make this theater a place where everyone can make the most of those passions. It is great to have so many passionate people and an environment where everyone wants to be a part of the team.

Part of the challenge with any team is ensuring that everyone's passions are moving together in unity to the same destination. It is amazing to have so many hard-working people in our organization, and though everyone means well it can be difficult to have the organization stretched out in so many directions. I hope to use my power as President to create more open communication and clearly established goals to ensure everyone's passions are heading in the same direction for LSC. Everyone in this group wants to make great theatre, and it is my belief that as President it is my duty to make sure that the process of making great theatre is easy and straight forward for everyone including core membership, new members, directors old and new and all of our committed committees and committee chairs.

There have been many great presidents throughout LSC's history. I have been greatly fortunate to operate under Bob Kessler's tutelage as Vice President this last election term. I will be looking forward to his help as we switch roles and he operates as my Vice President this time around. Of course, the guidance of our great President Emeritus Pat Furterer will be much appreciated. I am confident that during my term as President, with the help of such great mentors, I will be able to pull together our board, committees and membership as we all pursue great theatre, friendships and community. After all, that's what got me here in the first place.

That all being said, producing shows and operating a theater is a lot of work! We need as many hands as we can to do everything from show side items such as costuming, set, lights sound and properties to the off the stage work of financial management, membership appreciation, publicity, and much more. If you are interested and see a vision for our theater that you want accomplished, please contact me and we can work with you to see it come to fruition. Thank you for your time and I hope to see you in the theater soon!

LSC conducts Challenge at The Amazing Race

On Saturday LSC volunteers conducted Challenge # 18 at the annual Amazing Charity Race.

The 10 mile race was conducted throughout Miami Township, Loveland, and Milford. Our challenge was "Hillbilly Shuffle". It consisted of pushing a broom handle with a squeegee attached to a shuffleboard scoring triangle...thus "Hillbilly shuffle"!!!

The Race started at 8:00am and ended in 92 degree heat at 2:00pm. Our LSC people were wonderful, instructing and encouraging the 1500 participants. The day was a labor of love which gives donations back to the non-profit organizations, including LSC.

I want to give special recognition to all the LSC volunteers for stepping forward to make this charity event happen:

Janet Metzelaar
Missy Fram
Tonya & Jim Oslack
Theresa & Steve Kovacs
Phyllis Wene
Dave Marcus
Marcie Verdin

I'd like to challenge more LSC members to step up next year to give back to these wonderful organizations that help our communities!

Paul Derham - LSC Challenge Captain

2018 LSC Creative Arts Scholarship Winner Revealed!

Delaney Dunster, a 2018 Loveland High School graduate, is the latest recipient of the \$1000 Loveland Stage Company Creative Arts Scholarship. Delaney is planning to attend Webster University outside St. Louis, where she will study stage management.

At Loveland High School and the Loveland Stage Company, Delaney was involved in every phase of theater production. She has appeared on stage, worked sound, served as student director and stage manager, and played cello in the pit orchestra. As a student director for the spring 2018 production of *Into the Woods*, she received the director's award for outstanding crew member.

During her tenure at the high school, Delaney has played in the marching band, chamber orchestra, and show choir pit band. She is a member of Thespians and a Cappies critic, as well as being editor for LHSNN, the televised high school news program. Delaney is involved with her youth group at Epiphany United Methodist Church, serving on the worship team and youth leadership team.

In deciding to pursue a theatrical career, Delaney is fueled by the uniqueness of every rehearsal, every performance, every audience, and every cast. Live theater brings together such a variety of people that she doesn't think she will ever be bored while she's doing something she loves.

The Loveland Stage Company wishes Delaney the best as she pursues the power of bringing stories to life.
