## From The Director

I have often been asked whether I like acting or directing more. The truth is, I really can't choose! I love being on stage, digging into a character, and sharing their truth. But I also love seeing how a show comes together. The best part is when I see an actor or actors grow and perform in a way that they themselves might not even knew they could. That's when I feel like I have hit gold.

*Bugsy Malone, Jr* is such a delightful, fun show! It has been a pleasure to work with the cast and crew, and I will have to say, these young people are the best! They are positive, responsible, and very fast learners! And of course, talented!

That all being said, none of this could have happened without the best of the best in production teams a person can ever have! They have worked tirelessly ever since they got involved, and most of them have worn so many hats. I need to name a few: Jill, you are just amazing! Jonathan, you paved the way. Margie and Alex, you put your hearts into each number. Stephanie, your vocal coaching brought out so much volume and beautiful singing! Micheal, Glenna, Carolyn, Tom -- for all that you do! Finally, Charlie, you are my rock! Thank you to all, named or not -- this production is our ba-by!

Pia Rader, Director

## About *Bugsy Malone Jr.*

This pint-sized, pinstriped classic is a tongue-in-cheek tribute to the gangster films of the 1920's. Two gangs comprised completely of children, square off in a 1920's rivalry of Capone-ian standards. Dandy Dan's gang has gotten the upper hand since acquiring the "splurge" gun (a weapon that shoots whipped cream). Bugsy Malone, a one-time boxer, is thrust into the limelight when he becomes the last chance Fat Sam's gang has of surviving. All Bugsy really wants to do is spend time with his new love, Blousey... but that just isn't in the cards for our hero.

Based on the hit 1976 film, *Bugsy Malone*, this musical is good, clean, comedic fun!

## ***SPOTLIGHT ON JENNA SCHROEDER***

### **Prompter - When and how did you become involved in LSC?**

I got involved a few years ago when I auditioned for *A Funny Thing Happened on the Way to the Forum*. I scored a small role in this farce musical, and really enjoyed my time getting to know everyone in the show. It was just so much fun both on and off the stage and I am still friends with that cast and production team today.

### **Prompter - When you are not at the theater, what do you do?**

I have four kids, so most of my time is spent cooking in my kitchen! Other than raising a family, I do have a few side gigs. I am a Labor Doula and support women in their births a few times a year. I also have taught dance for over a decade, so I still enjoy both choreographing and performing when I have the chance. I am into natural things and sell non-toxic personal care products through [www.beautycounter.com/jennaschroeder](http://www.beautycounter.com/jennaschroeder). I volunteer for organizations that mean a lot to me, I have a great group of friends that I enjoy spending time with, and once in awhile my husband and I get to go on a date!

### **Prompter - Why theater? Why LSC?**

I discovered theater when I was in high school and started out with dancer and ensemble roles. Eventually, I really began to enjoy the craft of acting and the friendships I would make along the way. I worked my way up to lead roles that were both serious and comical. I kept up with it in college and did shows at BGSU. I stepped back from theater for a long time, focusing on dance and taking care of babies, but once I felt ready to try again I chose LSC because it's a part of my community and I wanted to be a bigger part of it. The people are so kind, fun and supportive! There are so many things I love about it. The classic old theater in historic Loveland is a treasure. The people that volunteer there and make it what it is are like gold. Theater is therapeutic to me, I can tell is good for my soul because I am always happier leaving a rehearsal than I was going into it. It's both creative and challenging. It pushes you out of your comfort level, and sometimes it's the only place you feel comfortable! I love exploring a character, learning new music, dancing with friends, and working with people of all ages and backgrounds. This is what community and the arts is about and LSC captures this marvelously! It's very welcoming, and though I felt nervous when I first entered the scene, I now feel a sense of home and family whenever I am there.

# Loveland Stage Company

*Award Winning Community Theatre*

## **SPOTLIGHT ON JENNA SCHROEDER** (Continued)

### **Prompter - What have you been involved in at LSC?**

I have been in *A Funny Thing Happened on the Way to the Forum*, *Memphis* (although I tore my acl at dress rehearsal at this show and wasn't able to be in the performance), *Sorry Wrong Number*, *The Hitchhiker*, and currently I am playing Lisa in *Mamma Mia!*. I also enjoy Margie's dance classes from time to time on Saturday mornings and was in the 4th of July parade. My daughter has been in the youth programs as well. She did *Willy Wonka* and now she is Dotty in *Bugsy Malone Jr.* It's been fun to get her involved as well, it's a great opportunity for kids to explore all aspects of the stage, set design, tech and performance in the summer.

### **Prompter - Where do you see LSC 10 years from now?**

I see LSC putting on fabulous shows! My hope is that more and more people flock to the theater as part of their evening out. Downtown Loveland has so many great places to eat and grab a drink, I think the popularity of going to a show afterward will increase. I think more people are also wanting to try new things or go back to things they enjoy, so I could see new talent, ideas, and people mixing into the beauty of the long time members of LSC. I also imagine, that it could be a venue for more than musicals and plays, but different types of shows too! Because I am a dancer at heart it would be neat to see dance performances or other artistic collaborations take place. I love how LSC is open to new ideas, but above all it is always there for its community! The desire to put on high quality performances experiences for the people of Loveland will never change.

### **Prompter - What would you like to say to LSC and the members?**

I would just want to say thank you. Thanks for welcoming me as part of the family, for making me feel valued and loved every time I am there. You all actually amaze me with your talent, your time, and your efforts to make it a great place to be and to put on quality performances. I appreciate you all and look forward to making more memories together! Keep up the good work, the love, the integrity, the collaboration, and the positive atmosphere! The culture you have of inclusiveness, is a beautiful thing to behold and I love ya for it. xo Jenna

## Letter from the President

I am thrilled and honored to be the President of the Loveland Stage Company during its 40<sup>th</sup> anniversary celebration! I wanted to express my thanks to the LSC Board and to the LSC membership for the confidence they have bestowed on me during this significant milestone in our history.

The Loveland Stage Company was the brainchild of Pat Furterer, our President Emeritus, who is still very active in the theater. Whether it is playing a significant role in our productions such, as directing or producing, right down to the mundane tasks such as cleaning the theater, Pat is always there to help. She is truly the mainstay of LSC.

The same can be said for our choreographer, Margie Clegg. Margie represents the creative edge LSC has in the dance routines for most of our musical productions. She even puts up with my teasing during her Saturday dance classes! But, watch out....Margie has the sharpest elbows you'll ever see! Or feel...take it from someone who knows....OUCH!

There are many more people who make LSC a special organization. When you read the Prompter and see who is involved in directing and producing our shows, you get a small taste of the devoted, creative people who make the Loveland Stage Company a special place. The same goes for all those involved in the technical end of our productions. From designing and building the sets, lighting, sound, program design, lobby decorations, ticket sales, refreshments and advertising....there are so many people who devote their efforts to LSC. Through their efforts, our productions have been of high quality... as our theater's longevity proves.

The LSC 2019-2020 season promises to be a memorable one. We start the summer off with *Bugsy Malone, Jr.* our summer youth theater program. The Director is Pia Rader and producers are Jonathan Eckman, Jill Gornet and Charlie Rader. I have seen the rehearsals and there are some incredibly talented dancers and singers amongst the cast. Please come and enjoy their talents and enthusiasm. The show will run from July 12th through July 21st.

Our next production will be *Mamma Mia* directed by Deirdre Dyson and produced by Steve and Theresa Kovacs. Glenna Knapp will be technical director. The performances are August 15th through August 25th. The show is a hilarious comedy featuring many well-known rock songs. *Mamma Mia!* is a very popular show that promises to be very entertaining.

In the Fall, we are putting on *Cole...An Entertainment*. It is being directed by Gregory Carl Smith and produced by Pat Furterer and K Buckler. Chris Lee will be the technical director. The show features the wonderful classic music of Cole Porter. The setting will be early to mid 20<sup>th</sup> Century. Cole Porter's music is world-renowned. The show will run from November 1st through November 17th. Come and enjoy.

Our next show will be *An Olde Fashioned Christmas*. This is LSC's traditional Christmas production. It is being directed by Pat Furterer and choreographed by Margie Clegg. The show has FREE admission and is LSC's way of showing our gratitude to the Loveland community that has supported our theater for so many years. There will be three half-hour shows all on December 14th.

Our busy season continues with *Gypsy*, a classic musical extravaganza about the life of Gypsy Rose Lee. The music is wonderful and so will be the dance routines. *Gypsy* is being directed by Micheal Kiser and produced by Tom Cavano, Becky Cole, and Jill Gornet. The show will run from March 6th through March 22nd. Don't miss it!

We end our 2019-2020 season with *The Musical Comedy Murders of 1940*. It is a murder mystery comedy that offers you the best of the "classic who done it" mixed with many laughs. It is being directed by Becky Cole and produced by Jill Gornet.

There you have it.... A fantastic season of quality entertainment to delight our community and let us share the joy of music and dance. Again, thank you for supporting the Loveland Stage Company over the years. Here is hoping for another 40 years of fun and entertainment!

### Loveland Stage Company Donors

Our facility is continuously being improved so that we can provide a more enjoyable venue for everyone involved in the Loveland Stage Company experience. Since the recent addition of new seating we have more plans that cannot be achieved without the generous donations from our patrons. Donations are tax-deductible and are always acknowledged with a listing in our programs. Your donation can be included with your membership application today. Just select one of the following levels and add the tax-deductible contribution amount to your membership dues payment below.

☐ \$1000+ Leading Role ☐ \$500 Standing Ovation ☐ \$100 Bravo  
☐ \$50 Curtain Raisers ☐ \$25 Show Patron

If donating, how would you like your name(s) to appear on the program page? \_\_\_\_\_

### Spotlight Patio Capital Improvement Campaign

Share your appreciation for the arts and become a permanent part of the Loveland Stage Co. Theater by purchasing a brick for the Spotlight Patio. Memorialize your part in one of our productions, pay tribute to a loved one, advertise your company or just become a permanent part of our theater. Bricks are available in 2 sizes: 4" x 6" \$100 or 12" x 12" \$500. By purchasing a brick you will be supporting enhancements to the Theater's exterior while helping to raise funds for continued improvements to the LSC theater experience. Each brick is fully tax deductible. This campaign allowed us to purchase new seating. There are more improvements that cannot be achieved without the generosity of our patrons..
