From LSC's President

Hello all you Lovelies of Loveland Stage Company! We are about to embark on another great year! We have a great year of theater ahead of us, starting with our summer show. We are about to open our Children's Workshop with *Singin' in the Rain Jr.* directed by board member Stephanie Mackris and Produced by Dave Marcus. We also have the ACT/OCTA conference just around the corner. If you are unfamiliar with this program, ACT is our regional Theatrical Group. We, along with many other Theatre Groups in the area participate in a once a year event full of excerpts from local productions, a banquet, and award ceremony. At the Award Ceremony, groups are given Orchid Awards for shows that were produced over the previous year. It is fun time celebrating theater and getting together with many friends from across the Greater Cincinnati area. Stay tuned to see what awards LSC wins this year!

I am very excited to welcome new Board Members Gary Giver, Stephanie Mackris, and Jenna Schroeder. Glenna Knapp and Joshua Marcus also are back for one more term! We are getting ready for our first Board meeting of the 2022/2023 season, and excited to see what is coming LSC's way this year. There are many exciting things we have been working on to keep LSC successful. There are many exciting things we have been working on to keep LSC a success. As always, if you have any questions or comments, or would like to see the Board address a certain issue, please feel free to contact me.

With Summer just around the corner, I want to remind everyone to stay safe, drink plenty of water, and do not forget to wear sunscreen. We want you all to be safe and happy this Summer. Feel free to share your Summer experiences on our Facebook and Instagram page! We love to see what our members are up to.

With that, I wish you adieu!

About *Singin' In The Rain Jr.*

Based on the 1952 movie of the same name, *Singin' In The Rain Jr.* takes place in Hollywood during the last days of the silent movie era. In silent movies and in the tabloids, Don Lockwood and Lina Lamont are the perfect couple, but behind the scenes Lockwood has no feeling for his vapid co-star. Meanwhile, Lamont's squeaky voice might be the end of the duo's career in "talking pictures" without the help of a talented young actress to do the talking and singing for her.

Singin' In The Rain Jr. is adapted from the classic Metro-Goldwyn-Mayer film – named the #1 best movie musical of all time by the American Film Institute – by special arrangement with Warner Bros. Theatre Ventures, Inc. The show features a book by Betty Comden and Adolph Green and songs by Nacio Herb Brown and Arthur Freed.

From The Director

When words are not enough, we sing, when song is not enough, we dance, when dance is not enough we prepare a musical extravaganza! We build sets, find and make costumes, memorize lines and choreography, and look for special treasures to make tiny details that add to the storyline. All of this preparation and love is done to show these students that they are worth celebrating and that they have the talent and skills to tell a story well and enjoy it. I have truly enjoyed watching these students grow in confidence and in their craft.

As a community theater, doing the Children's Workshop has been such an honor. I love being on a team with Margie Clegg who has been my tap teacher for more than 15 years, Dave Marcus who has been my fellow co-star, Glenna Knapp who has been both stage manager and director at LSC and Grace Guthrie who was my voice student in high school and is now pursuing a degree in Music. We are a multigenerational team with different styles, backgrounds and ideas who put our trust in one another.

Being a part of Loveland Stage Company and the director of *Singin' in the Rain Jr.* has been a pleasure. Thank you for this wonderful opportunity and for sharing some of your summer with me. This show is a Broadway classic full of fun and surprises so enjoy the show!

Donating to LSC

As we all know, due to the pandemic, LSC had to stop producing shows... AND Your donation allows us to make updates to our theater, as well as produce some award-winning theater. Unfortunately, LSC still needed to pay the mortgage, minimal electric bill, among other bills. With your donation, Loveland Stage Company is able to pay their bills and keep the building until we can provide quality theater and performing arts experiences for the greater Cincinnati community again. Your donation allows us to make updates to our theater as well as produce some award winning theater. Even \$1 goes far to help us provide our audience and community with a great performance. The donations we receive go to our general fund, which supports the theater, including maintenance, licensing fees, technical upgrades, and productions. Please follow the directions below to donate via our website and click on the donate button in the upper right (<http://lovelandstagecompany.org/>).
