About The Children's Summer Theatre Program

Thank you for joining us at our beloved community theater. At the Loveland Stage Company we have a full season of shows to offer our community! The Children's Summer Theater Program began at the Loveland Stage Company in 2005 and since that time has served over 1,000 children ages 8-18! This program is an educational experience held at the theater every summer for 6-8 weeks and is supported by an all-volunteer staff. This highly concentrated exposure to theatre involves all the elements that make up a show! Children get hands on experiences in the following areas:

- Stage and set construction
- Costumes and costume design
- Makeup and makeup application
 - Prop and backstage management
- Purpose and operation of the sound and lighting systems
- Music and chorus as defined in the script
- Direction and coaching in acting
- Choreography and dance instruction
- On-stage performances

As you watch this show we hope you enjoy seeing the results of this cast and crew's incredible adventure over the past several weeks. The children have worked hard, created community and learned the beautiful craft of the performing arts. We can't wait to share with you what they have learned! If we have sparked the 'theater bug' in your child's heart, then we have done our job well.
